Requesting the Deputy Commissioners to have the repairs of the Muzrai institutions, sanctioned out of the State grant, executed before the end of the year in which the grant is made payable.

M.G.C.P.B.—8-9-97—120

No. 121-9—Muz. F. 105-92, DATED, BANGALORE, 22ND JULY 1897.

ORDER.—Several instances have been brought to the notice of Government in which the allotments assigned out of the State grant provided in the annual budget for the repairs of Muzrai buildings have lapsed to Government, owing to the Deputy Commissioners' failure to have the sanctioned repairs carried out and the money drawn within the close of the official year of the grant, thus necessitating a second assignment of fresh funds for the same works after execution.

2. To avoid such inconveniences in future, the Deputy Commissioners are requested to have the repairs, sanctioned out of the State grant, executed before the end of the year in which the grant is made payable. No bill on account of works executed will be accepted for payment after the State grant allotted therefor has lapsed.

Dy. Secretary to the Govt: of Mysore,

Muzroi Department.

SIR,

With reference to Govt: Pro: No.2008-17/Muz.F105-92 dated 7th June 1902 directing that whenever funds are sanctioned from the State Grant towards the repairs of any Muzroi Institution, the whole of the sanctioned allotment should at once be credited to the funds of the Institution concerned but that they should not be simply added on to the Surplus Fund of the Institutions and otherwise expended, I have the honor to state that under the present system of adjustment the whole of the sanctioned estimate has to be adjusted in the Treasury Accounts by debit to (List of Payments) 18 Muzroi and credit to the head "Surplus Funds of Devasthanams and Chuttrums", and that till such amounts are drawn they will remain in the accounts to the credit of that head, and that in the meanwhile when any other expenditure is proposed from the "Surplus Funds" the Treasury Officers will have to certify to the full amount at credit of the fund as they generally do now, thereby causing the risk of the amounts now proposed to be credited to "Surplus Funds" being also utilized for some other purpose- To avoid the risk I propose to instruct the Treasury Officers to open in the Treasury accounts a sub head Grant from State Revenues for repairs of Muzroi works under the head Surplus Funds of Devasthanams &c., to which head the amounts of sanctioned estimate will be credited, and payment on their account will be debited- A separate Register will have

to be maintained in the Treasury for watching these transactions which virtually have to be dealt with as a separate fund- A similar Register and check have also to be maintained in this Office.

An additional hand will be required for maintaining for a Regular Progress Register. I beg also to invite attention to this Office No.6687/55 dated 4th June 1901 and its reminder No.7409/1310 dated 7th June 1902 reporting on the balances of the Muzrai Institutions and submitted proposals for detail Audit in this Office. If those proposals be sanctioned at once, a special section for Muzrai audit will be organized and the accounts will be duly audited- The two extra hands applied for will probably be sufficient to cope with the work and I beg therefore that early orders may be passed both on this and the previous reference
